Time allocated: 15 minutes

Use one large group, or divide into groups of about 15. Instruct participants that you are going to identify a characteristic and that they are to arrange themselves in order in a line according to the characteristic identified as quickly as possible. Use any of the following characteristics:

- 1- height
- 2- shirt/blouse color
- 3- family size
- 4- eye color
- 5- hair length
- 6- birth date
- 7- age
- 8- first name
- 9- last name
- 10- shoe size

Questions for discussion:

How do you characterize yourself?

What is unique to you?

How are your characteristics viewed by others?
